OUR MISSION

As a young kid, I was bullied, so I understand the distraction AND destruction, it causes. Because of this, I felt compelled to help this new generation RISE ABOVE that sort of pain and fear.

Our mission is to help kids from grammar to high school age become aware of their unique God-given gift. The children of this era are suffering from low self-esteem issues and our program not only promotes self-worth but also helps them identify their purpose. Our school assemblies are conducted through music, motivational speaking and interactive illustrations. Our hope is that the Rise Above Bullying Assemblies will shine a light on the victim as well as the bully.

This endeavor is too big for me to do alone but “many hands make the work light.” Join us in this effort and let us redirect and inspire our most precious commodity--our Children and Grandchildren! Together, we can interrupt the current suicide rate that’s ripping through our youth like a toxic disease.

ALL DONATIONS ARE TAX DEDUCTIBLE. Below are the different levels. Please pick one that you feel good about and in turn, I have a gift for you for loving on His precious little ones.

Make your checks payable to:

In the **Memo** section, put **Ready 2 Rise Children’s Network.**

For credit/debit cards, call us at 702-580-8782 and ask for either Leon or Renee.

Thanks again for your love. It is a constant reminder to me of God’s call and for you to know that each donation counts toward rescuing another child from cyberbullying and even death.
